Gentlemen:

Hanson Oil Corporation has recently completed their Gutman No. 6 located in Unit K of Section 19, T-22-S, R-38-E, as an oil well in the Blinebry Oil and Gas Pool. Since Commission Order No. R-1670-N prohibits the dual dedication of acreage to both an oil and a gas well in this pool, the proration unit for your Gutman No. 1 located in Unit N of Section 19, T-22-S, R-38-E, a Blinebry gas well, is being reduced from 120 to 80 acres effective March 13, 1974, which is the effective date of the oil allowable for the Hanson well.

The 80 acre proration unit for your Gutman No. 1 will consist of the NW/4 SW/4 and SE/4 SW/4 of Section 19. Please submit a revised Form C-102 for the well outlining this acreage.

Yours very truly,

OIL CONSERVATION COMMISSION
