Re: Reclassification of Well  
A.H. Blinebry Federal NCT-1 #1-0  
Section 19, T22S, R38E  
Blinebry Oil and Gas Pool

Gentlemen:

Due to the recently submitted gas/oil ratio test for the above-referenced well, it will be reclassified as an oil well in the Blinebry Oil and Gas Pool effective January 1, 1987, and the gas allowable cancelled that date.

The well currently has 40 acres dedicated so it will not be necessary to submit a revised acreage dedication plat. However, in the event there is a transporter change due to this reclassification, please submit Form C-104 so indicating.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton  
Supervisor, District I
