Form	C-103		n	POPIN IPD
Π		CONSERVATION COMMISSION Santa Fe, New Mexico		SEP 2 1 1945
IJ		miscellaneous reports on wells		
Subr	nit this report in triplicate to	the Oil Conservation Commission or its proper agent within the signed and sworn to before a notary public for monorta	n ter	days after the work

S specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling oper-ations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:
