Gentlemen:

Attached is a copy of an administrative application for NMOCD approval for a reclassification of the Scarborough Estate #2 from an oil well to a gas well, creation of a non-standard 40 acre gas proration unit, and a non-standard gas well location.

The GOR of the Scarborough Estate #2 has increased above the 50,000 to 1 limit for oil wells in the Blinebry field. With this change, a non-standard well location and a non-standard 40 acre gas proration unit needs to be approved.

If you have any questions about the application, please contact Lloyd Trautman at (915) 687-7152.

Sincerely,

A handwritten signature in cursive script, appearing to read "L. V. Trautman".
