Re: Scarborough Estate #2-H  
Section 31, T22S, R38E  
Blinebry Pool

Gentlemen:

Due to the recently submitted gas/oil ratio test the above-referenced well will be reclassified to oil and the gas allowable cancelled effective July 1, 1988.

Please submit a revised acreage dedication plat, Form C-102, dedicating 40 acres to this oil well completion.

Our records indicate Warren Petroleum is the low-pressure gas transporter for this well. If this is not correct, please file an un-dated C-104.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton  
Supervisor, District I
