Gentlemen:

Due to the recently submitted gas-oil ratio test for the Tubb zone in your A. H. Blinebry Federal NCT-3 Well No. 1 located in Unit D of Section 31, T-22-S, R-38-E, it will be reclassified to oil effective January 1, 1986, and the gas allowable will be cancelled that date.

Please submit two copies of a revised Form C-102 outlining a 40 acre dedication for the oil classification, and in the event that a change of transporter occurs due to this reclassification, please also submit Form C-104 so indicating.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District 1
