Box 728  
Hobbs, New Mexico

Gentlemen:

Effective January 1, 1972, your A. H. Blinebry Federal NCT-3 Well No. 1 located in Unit D of Section 31, T-22-S, R-38-E is reclassified as a gas well in the Blinebry Pool. This reclassification is necessitated by the fact that the well is producing at a ratio in excess of that allowed for an oil well classification.

The well is to be shut in on January 1, and is to remain shut in until you have complied with the provisions of Commission Order No. R-1670 pertaining to the Blinebry Gas Pool.

Yours very truly,

OIL CONSERVATION COMMISSION

Joe D. Ramey  
Supervisor, District 1

# JOINT CONSERVATION COMMISSION

HOBBES, NEW MEXICO 88240

Dear Sirs:

I am writing to you regarding the joint conservation commission for the Hobbes, New Mexico area. The purpose of this commission is to protect and preserve the natural resources of the area, and to ensure that any development is done in a responsible and sustainable manner.

The commission is composed of representatives from the local government, the state government, and the federal government. We will be working together to develop a plan for the conservation of the area, and to ensure that any development is done in a responsible and sustainable manner.

I am sure that you will find this information of interest, and I am sure that you will be able to provide us with the information we need to develop a plan for the conservation of the area.

Sincerely,  
[Signature]
