DUAL COMPLETION APPLICATION

The Texas Company
A. H. Blinebry (NCT-3) Well No. 1
Lea County, New Mexico

New Mexico Oil Conservation Commission
Box 871
Santa Fe, New Mexico

Attention: Mr. A. L. Porter, Jr., Secretary-Director

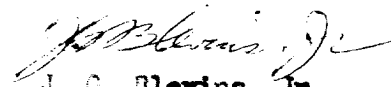

Gentlemen:

The Texas Company submitted to your office an application, dated August 28, 1958, for administrative approval to dually complete the subject well in the Blinebry (Gas) and Tubb (Gas) Pools, Lea County, New Mexico. The well is located in Unit D, Section 31, Township 22-S, Range 3rd-E.

Subsequent to the date of the above-mentioned application, the well has been completed as an oil well in the Blinebry and a gas well in the Tubb. We, therefore, request that you defer action on our previous application for a gas-gas dual, as we are preparing for submission a revised application requesting approval of an oil over gas dual in the subject formations.

Yours very truly,

THE TEXAS COMPANY
