Attention: Mr. R. F. Montgomery

Dear Sir:

Reference is made to New Mexico Oil Conservation Commission Supplement No. 2201, Allowable Assignment for our A. H. Blinebry NCT-4 Well No. 1, Drinkard Pool. Reference is also made to Form C-104, Blinebry Oil Pool, forwarded to your office on June 18, 1959, on subject well.

Testing of subject well has not been completed to date and Texaco Inc. is not in a position to produce the assigned allowable from the Drinkard Pool, or Blinebry Pool, therefore, it is requested that this allowable be cancelled and assignment of allowable deferred. When testing has been completed, TEXACO Inc. will file new Forms C-104.

Yours very truly,

  
E. H. Scott  
District Accountant
