Tubb Oil and Gas Pool

Ms. Downs:

Enclosed, please find Forms C-102 and C-104 with the appropriate copies for the referenced well. These forms are submitted in response to Jerry Sexton's letter dated August 17, 1992 which stated that the subject well should be reclassified from an oil well to a gas well in the Tubb Oil and Gas Pool based on the last gas/oil ratio test. This well is no longer capable of flowing liquids.

If you require additional information, please contact this office at (915) 685-5821. Thank you for your consideration in this matter.

Sincerely,  
OXY USA, Inc.
