South Paddock Pool

Gentlemen:

The above-referenced well has been appearing in the oil proration schedule under the Paddock-Glorieta, South. This is in error the correct pool designation should be Paddock, South. This pool produces from the Glorieta but Glorieta is not a part of the correct pool designation.

If you will note this well is carried in the statistical report under Paddock, South. Please amend your records to show this corrected pool designation.

Very truly yours,
