Gentlemen:

On September 22, 1961, a survey was made to locate your State "S" Well No. 4 at a point 2310 feet from the North line and 990 feet from the West line of Section 32, Township 22 South, Range 38 East, N.M.P.M., Lea County, New Mexico.

A flag was set at the U.S.G.L.O. Marker set for the Northwest corner of said Section 32, and the Transit was set at the U.S.G.L.O. Marker set for the West Quarter Corner of said Section 32. Thence we chained  $N0^{\circ}01'E$  from said Quarter Corner a distance of 330 feet, setting a hub with a tack; thence we chained East a distance of 990 feet to the location of your State "S" Well No. 4.

As a check on our survey, we chained  $N0^{\circ}01'E$  from said location a distance of 2310.0 feet and West 990.20 feet to the afore mentioned Northwest corner, closing within 0.20 feet of the distance shown on the U.S.G.L.O. Township plats.

Respectfully submitted

  
John W. West
