UNIVERSITY 3-5800

November 15, 1951 124 McClintic Building Midland, Texas

The Oil Conservation Commission Hobbs, New Mexico

Gentlemen:

Please be advised that the well we drilled in Lea County, New Mexico, known as the No. 5 T. O. May in the Northeast Guarter (NE/4) of Section 34, Township 22 South, Range 37 East, in September, 1951, is no longer our well. The acreage and the well has been turned back to C. E. Willingham.

In the event that there are any necessary forms or reports that we have to file with your people, please advise me.

Thank you very much for all your courtesies.

Yours very truly,

AUROFA GASOLINE COMPANY
