IV. AQUIFER INFORMATION

Aquifers encountered during drilling

From	To	Aquifer Description	Amount of Water entering hole	Quality of Water
------	----	------------------------	-------------------------------------	---------------------

Unknown

Note: if water quality analyses are available please attach.*

Source of aquifer description None

Depth at which water was first encountered None

Depth to which water rose None

Source of water level data None

Comments (include information regarding determination of piezometric level and method of sealing off water zone)
