Re: Reclassification of Wells

Gentlemen:

Due to the recently submitted gas/oil ratio test the wells listed below will be reclassified as gas wells in the Blinebry Oil and Gas Pool effective January 1, 1988, and the oil allowables cancelled that date.

E. A. Sticher #2-N 4-22-37

Evelyn Lineberry #2-L 29-22-38
Hugh #7-C 14-22-37
Amanda #1-J 25-22-37

If for some reason you feel the recently submitted tests do not reflect the proper classification of any of these wells, please submit another test for our consideration by November 23, 1987.

If the wells are to be reclassified from oil to gas, please submit the following items by November 23, 1987:

- 1) C-102 indicating acreage dedicated to gas well proration unit & NSP if applicable
- 2) C-104 if gas transporter changes due to reclassification
- 3) Advise if gas well gas is separately metered
