Re: Flaring of Casinghead Gas

Gentlemen:

Farm C-110 for your New Mexico State 'S' #25-N 2-22-37 Penrose Skelly
Lease Well No. S-T-R Pool

which was completed 8/21/63, indicates that no connection has been made for the sale of casinghead gas from this well. To comply with Commission Order No. R-553 you must, therefore, obtain a connection, or secure a No-Flare Order from the Commission not later than 11/21/63 .. Failure to comply with these instructions will result in allowable cancellation without further notice.

Yours very truly,

OIL CONSERVATION COMMISSION
