Dear Mr. Stamets:

SUBJECT: Shut In Overproduction

Attached are appropriate sundry notices which advises of the shut-in date for Shell Western's Grizzell No. 9 and Turner No. 10. These two wells were listed on the attachment to your letter of like caption dated August 26, 1986.

We appreciate the Divisions concerns and efforts in addressing ratable take problems in the current tight gas market.

Shell Western will strengthen its internal controls in order to avoid future gas overproduction violations.

Yours very truly,
