Recompletion

Gentlemen:

According to the sundry notice filed with the BLM the above-referenced well has been recompleted and is now producing from the South Brunson Drinkard Abo and Blinebry (downhole commingled) and dually completed in the Tubb O&G Pool.

In order to get an allowable for the Tubb completion you will need to submit C-104 and C-102 for Tubb along with an application for multiple completion, Form C-109. 107

Very truly yours,

OIL CONSERVATION DIVISION
