Re: Reclassification of Well
Mobil State #1-0
Sec. 16, T23S, R36E
Jalmat-T-S-SR Pool

Gentlemen:

Due to the recently submitted gas/oil ratio test for the above referenced well it will be reclassified from gas to oil effective August 1, 1988.

Please submit an acreage dedication plat outlining 40-acres to this oil well completion. Also, if your gas transporter will change as a result of the reclassification, please file Form C-104 so indicating.

Very truly yours,

OIL CONSERVATION DIVISION
