Re: Application of Ernest A. Hanson for a
Dual Completion of the Max Gutzman Well No. 1,
Unit M, Section 19-22S-38E, Blinbry Oil Pool
and Granite Wash Wildcat, Lea County,
New Mexico

Gentlemen:

Gulf Oil Corporation, for the reasons stated below, protests the subject application. This well is located on a portion of Gulf's Gutzman Lease which was farmed out to Mr. Hanson with the Blinbry and Tubb gas rights being expressly excluded.

The 40 acres upon which this well is located is presently dedicated to Gulf's Gutzman Well No. 1 for Blinbry and Tubb gas production. Inasmuch as the Blinbry Pool Rules prohibit dual dedication of acreage, this well is, in our opinion, ineligible to receive a Blinbry oil allowable.

Yours very truly,

W. B. Hopkins
