Re: Eunice Plant SWD #1-H Section 3, T22S, R37E

Gentlemen:

Our records indicate you did not file Form C-104, change of operator, on the above-referenced well when Gulf Oil Corporation changed to Chevron USA. Please submit Form C-104 to cover this change.

Also, our records indicate you are filing your monthly disposal report, Form C-120A, for the Eunice Plant SWD #1 and the Maud Saunders SWD #4 under Warren Petroleum. Warren Petroleum is no longer bonded and is not the operator of record for these wells. Your C-120A reports should be filed under the same name as the operator of record.

Very truly yours,

OIL CONSERVATION DIVISION
