Attention: Mr. J. D. Ramey

Attached is our amended form C-102 "Well Location and Acreage Dedication Plat" on the New Mexico State "S" Water Source Well No. 4 (CP427) dedicating eighty (80) acres to this well instead of forty (40) acres as originally reported.

This change is necessitated by Case No. 4065, and Commission Order R-3706 pertaining to the above well changing the classification of this well to an oil well and producing from the San Andres formation.

The above well is located on an unorthodox location, being 650' FWL and 175' FSL (Unit Letter M) in Section 2, T-22-S, R-37-E, Lea County, New Mexico.

Very truly yours,
