RE: Request for Hearing to Consider Multiple Completion
Drinkard and Granite Wash
Vivian, Well No. 1
Section 30, T22S, R38E
Lea County, New Mexico

Gentlemen:

Enclosed is a corrected copy of the diagrammatic sketch of the proposed multiple completion for the referenced well. The diagram previously submitted had shown the sliding sleeve in the open position. This was in error since the sliding sleeve was run in the closed position and has not been opened.

Please correct the original application submitted on January 12, 1978.

Thank you for your assistance in this matter.

Sincerely,

COQUINA OIL CORPORATION
