"M" State No. 60
Langlie Mattix Pool
Lea County, New Mexico

Gentlemen:

Wood, McShane & Thams have received an Administrative Order NSL-529 for the drilling of New Mexico "M" State No. 60. The original Form C-102 showed the location to be 1335 feet from the north line and 10 feet from the east line of Section 30, Unit H, Township 22-S, Range 37-E, Lea County, New Mexico. It was necessary to move the original stake away from a tank at the water plant prior to spudding and the attached Form C-102 is therefore being filed to show the correct location.

It is understood that it will be necessary to obtain another NSL-529 for "M" State No. 60 subsequent to moving the location. Wood, McShane & Thams will appreciate very much another Administrative Order for this well.

Yours very truly,
