Did you ever get a
Completion, PA, or status
report on this well?

Evelyn

~~Evelyn, I did not have a well file on this well but talked to Roswell office this morning, and they are sending me what they have on file. She told me that a Well Completion was requested in 1984 by one of the Engineer's but was never received. I will give Estoril a call.~~

I did find a file on this well and it was filed in the intent to abandon. The attached correspondence was last received from J. C. Williamson. We will check on the update and advise you.
