Re: Hal J. Rasmussen Operating, Inc.  
State A A/c-1 #2-L 21-23-36  
State A A/c-1 #6-F 21-23-36  
Jalmat Pool

Rick the above-referenced wells were reclassified to oil wells in the Jalmat pool effective July 1, 1989 by supplement SE-6119.

They are showing up as NC in the proration schedule.

The operator is reporting production from these wells as oil wells and should not be in the "gas proration schedule". Please advise El Paso since that is where the production is being picked up from.  
Thanks,

Evelyn Downs
