Dear Mr. Henderson,

I have received your letter of August 7, 2000. NOMCD Order R-9210 states that an operator may not leave a well shut in longer than 1 year. The following options are available regarding the future disposition of this well.

- 1) The well will be placed back into beneficial use.
- 2) The well will be temporarily abandoned in accordance with Rule 203
- 3) The well will be plugged and abandoned in accordance with Rule 202

We request that you submit a form C-103 of your intent on one of the above options no later than August 30, 2000.

Very truly yours
