If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

The well failed a packer leakage test when approved for dual completion.

An application was made to obtain bottom hole commingling approval, and approval was granted.

The property has been divested to Presidio Oil Company who will probably file a Sundry Notice to work on the well.

Standard Oil did not work on the well.

18. I hereby certify that the foregoing is true and correct
