RE: Proposed Recompletion
H.T. Mattern NCT-D #9
Unit D, Sec. 6, T22S, R37E

Gentlemen:

In September 1990 you proposed to recomplete the above-referenced well from the Tubb and Drinkard zones to the Blinebry zone.

So far no progress reports have been received so it is assumed this work was not done; therefore this intent is considered cancelled.

If you decide to do this work at a later date, please resubmit.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
