Re: Application to Drill
Lou Worthan Well No. 13
Unit C, Sec. 11, T 22S,
R 37E
Lea County, New Mexico

Dear Sir:

The approved Form C-101, a permit to drill Marathon's Lou Worthan Well No. 13 expires April 9, 1975. Since this well is scheduled to be drilled as soon as a suitable drilling rig is available, Marathon Oil Company requests a thirty day extension to the expiration date of the subject Form C-101. It now appears that April 12, 1975 is the approximate date drilling work will start.

Your assistance in this matter will be appreciated.
