of Unorthodox Location - John Hendrix's
Cossatot "L" No. 1, located 2350' FWL &
470' FSL of Section 11, T-22-S, R-37-E,
Lea County, New Mexico

Gentlemen:

This is to request administrative approval of the above-described unorthodox location for my Cossatot "L" Well No. 1. Due to topographical condition existing on this 40-acre tract, your approval will permit us to get the well drilled in a timely manner. New Mexico State Highway 18 crosses this 40 acres running in a north-east to southwest direction. The highway right-of-way fence comes within about 25' of the existing John Hendrix - Thomas Long well No. 1 located 330' FSL and 2310' FWL of Section 11. On the west side of the highway there are above ground utility lines and Shell Oil Company's Thomas Long Well No. 4.

Your early consideration of this application will be appreciated.

Yours very truly,

John H. Hendrix
