RE: Application for Administrative
Approval of Unorthodox Location
John H. Hendrix - Cossatot M No. 2
located in Unit M of Section 11,
T-22-S, R-37-E

Gentlemen:

This is to request administrative approval of the above described unorthodox location for my Cossatot M No. 2. Due to topographical condition existing on this 40-acre tract, your approval will permit us to drill this well in a timely manner. The location was moved 100 feet East due to railroad right-away, also five oil and gas pipelines are located in this area.

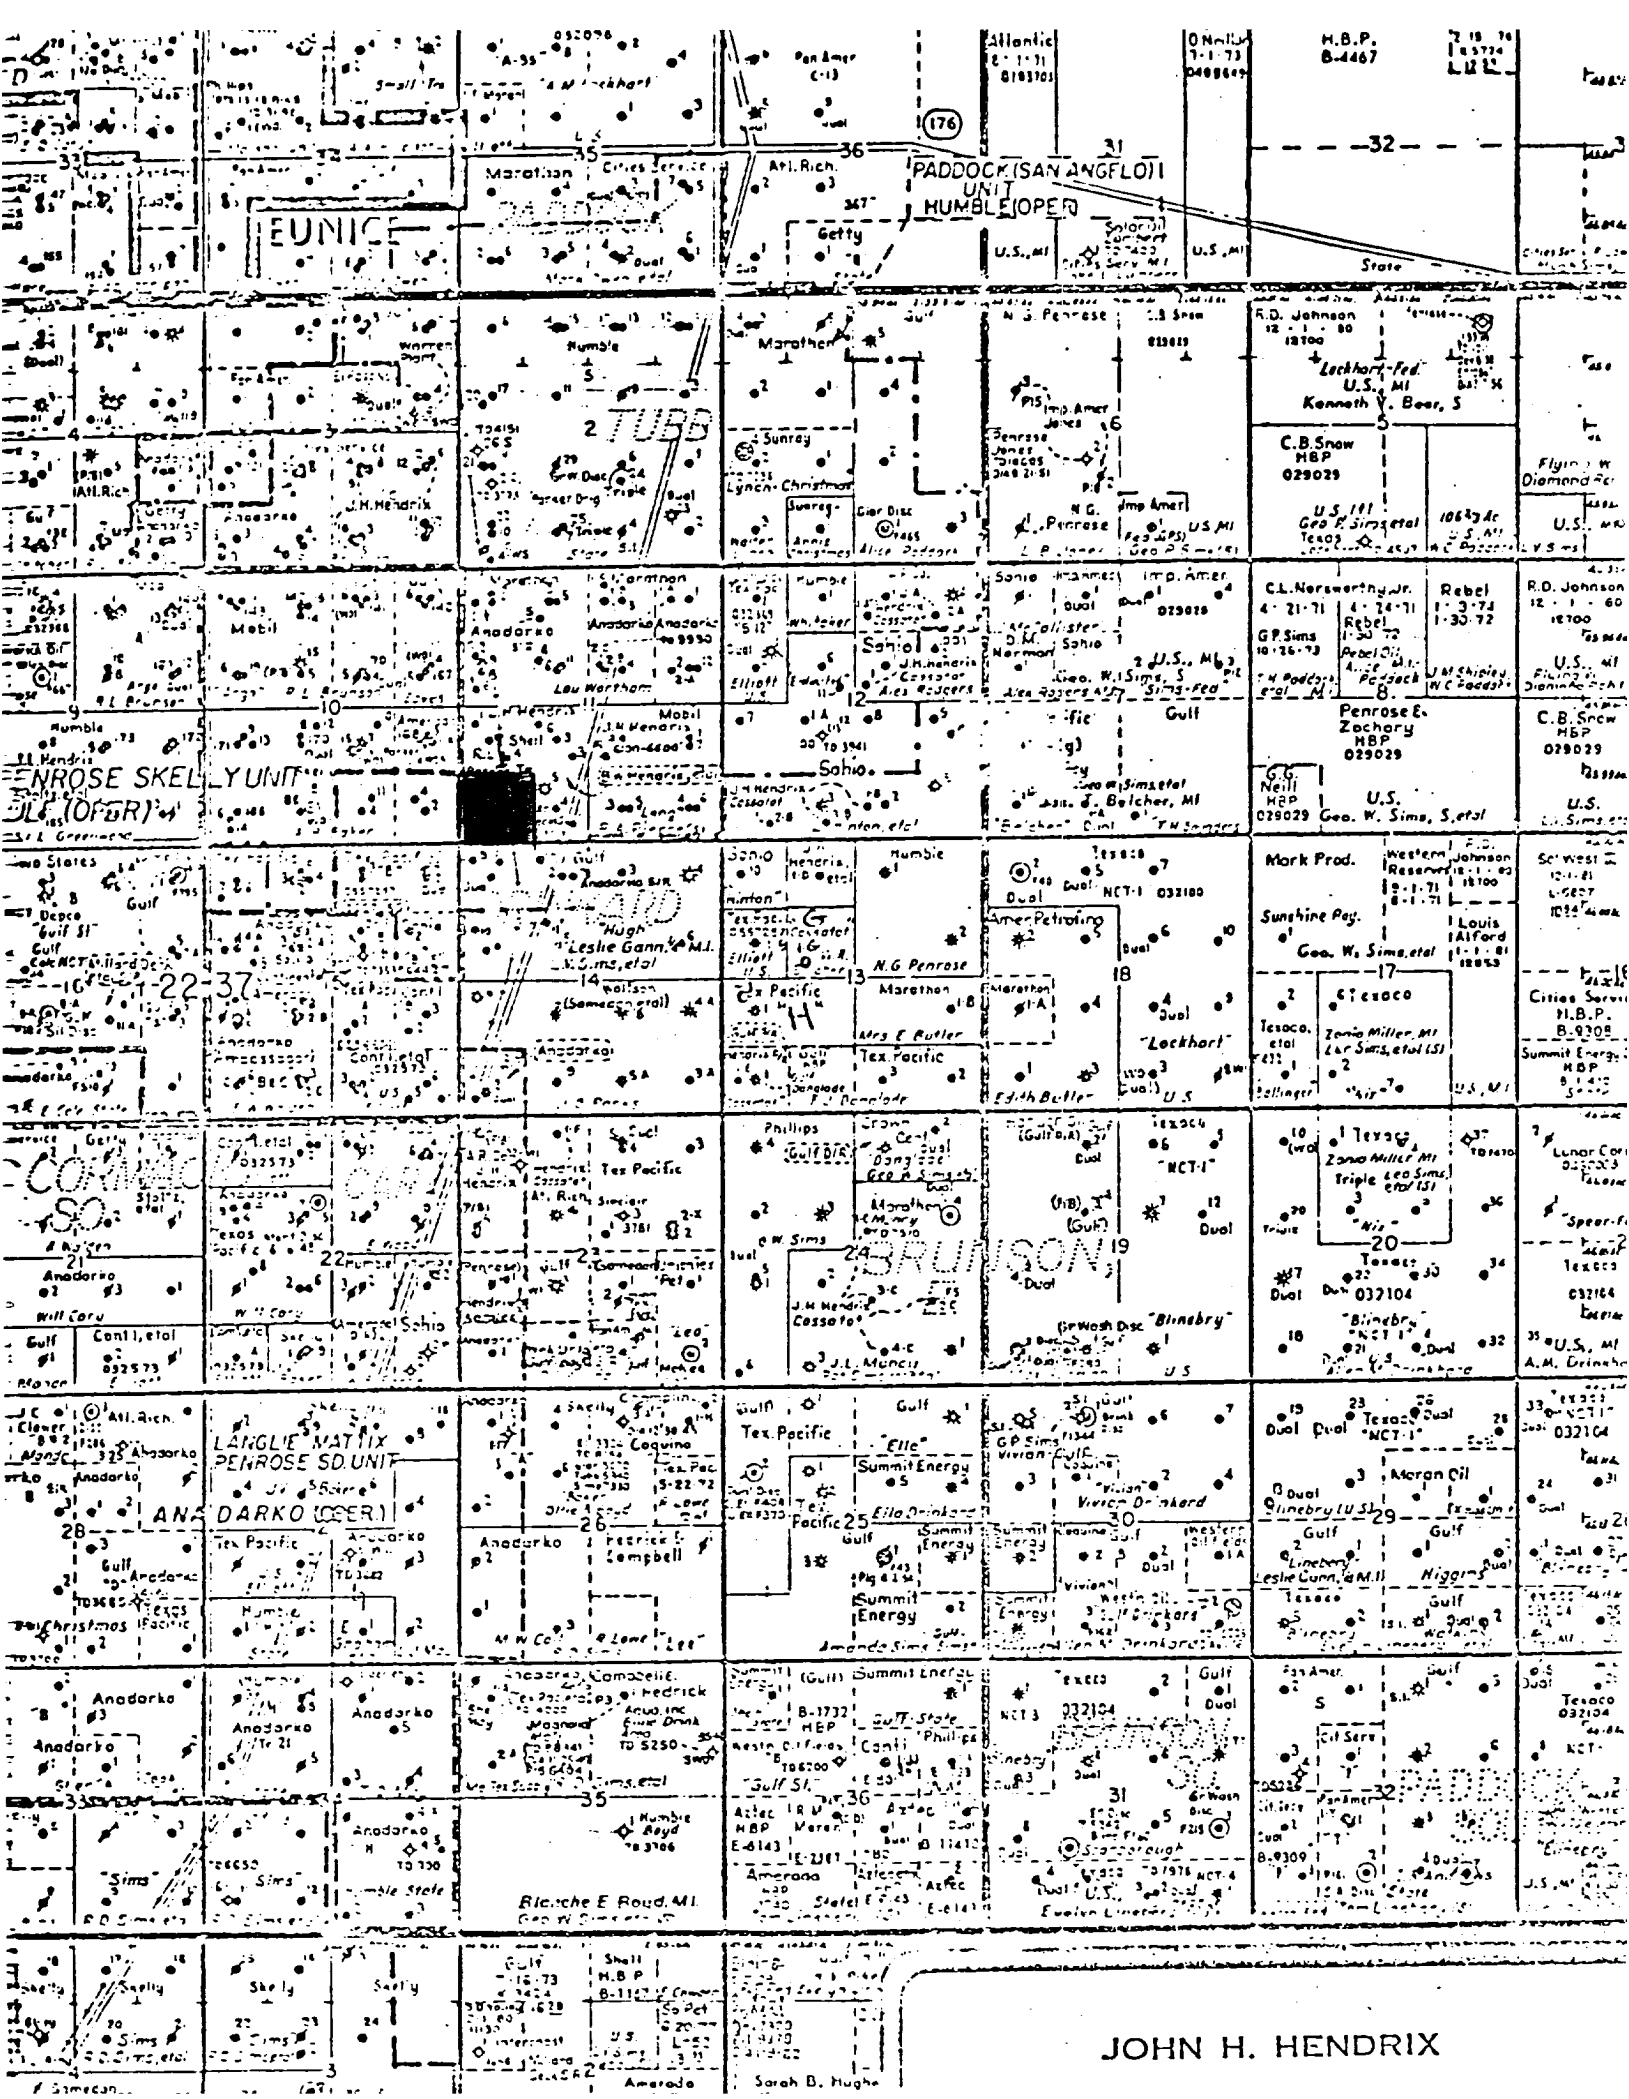

Your early consideration of this application will be appreciated.

Yours very truly,

JOHN H. HENDRIX
