Blinebry Oil and Gas Pool

Dear Mr. Sexton:

In response to your correspondence dated October 25, 1988, please find enclosed Form C-116, marked special, on the above referenced well. Marathon Oil Company feels the original test was not representative of the well's capability, therefore, another test is being submitted for your consideration.

If you have any questions you may contact me at (915) 682-1626.

Yours very truly,
