

WELLSITE LAYOUT continued

Surfaced: The base will be surfaced by six inches of compact caliche.

Reserve Pit: 155' x 125' pit lined with plastic

Cleared Buffer Area: No buffer area is to be cleared; however, area around well mat may be used for turn-around and/or storage.

10. PLANS FOR RESTORATION OF THE SURFACE: After completion of drilling and/or completion operations, all equipment and other material not needed for operations will be removed. Pits will be filled and location cleaned of all trash and junk as soon as practical or buried with at least 24' of cover. Any unguarded pits containing fluids will be fenced until they are filled. After abandonment of the well, the well pad and all unneeded access roads will be ripped to promote revegetation.

11. OTHER INFORMATION:

Topography: Land surface consists of very low relief, grassy, sandstone plain.

Soil: Thin, sandy, calcerous soil underlain with some caliche.

Vegetation: Native grasses, some sage, and yucca.

Wildlife: None observed.

Ponds and Streams: None in vicinity of the location.

Residences and Other Structures: There are no occupied dwellings within 1/2 mile.

Water Wells: A few water wells are located 3/4ths of a mile west of the location.

Land Use: Grazing

Surface Ownership: All of Section 25 has a surface grazing lease issued by the BLM to W. H. Brininstool, P. O. Drawer "A", Jal, New Mexico 88252.

Well Sign: Sign identifying and locating well will be maintained at drillsite commencing with the spudding of the well.

12. OPERATOR'S REPRESENTATIVE: Field personnel who can be contacted concerning compliance of this Surface Use Plan consists of:

Ray Belden, 411 Petroleum Building, Midland, Texas 79701 - Phone (915) 683-6366.

13. CERTIFICATION:

I hereby certify that I, or persons under my direct supervision, have inspected the proposed drillsite and access route; that I am familiar with the conditions which presently exist; that the statements made in this plat are, to the best of my knowledge, true and correct; and, that the work associated with the operations proposed herein will be performed by BELCO PETROLEUM CORPORATION and its contractors and sub-contractors in conformity with this Plan and the terms and conditions under which it is approved. A copy of this Plan will be posted at the wellsite during the drilling of the well for reference by all contractors and sub-contractors.
