Re: Unorthodox Location
Drinkard Estate No. 6

Dear Mr. Kaptaena:

As per your instructions, I am enclosing a plat showing operators and wells, plus existing road, pipeline, and tank battery in the area.

If we had not moved the location to the South and East, the reserve pit would have been over the existing road. (The landowner does not want anymore roads in the area.) The pit would also have extended over the buried pipeline and into the tank battery as shown.

Sincerely,

Paul G. White
