Gentlemen:

It has come to our attention that your Drinkard (NCT-B) Well No. 6 located in Unit P of Section 30, T-22-S, R-38-E, has been erroneously carried in the Wantz Abo Pool since 1978 when it was recompleted from the Wantz Granite Wash to the Abo. The well is actually in the South Brunson Abo Pool.

We are correcting our records to reflect the South Brunson Abo Pool classification for the well and request that you make the same correction in your records.

Yours very truly,

OIL CONSERVATION DIVISION
