RE: Natomas State "23" No. 2
N/2 Sec. 23-23S-34E
Lea Co., New Mexico
Multiple Completion

Gentlemen: .

Attached is Form C-107 relating to the above mentioned well. Additional attachments include a plat showing offset operators, a diagrammatic sketch of the multiple completion and copies of correspondence sent to offset operators. An electric log of the well is not available at this time but will be submitted at a later date.

Two copies of the information are also being submitted to your principal office at Santa Fe.

Please contact us if additional information is required.

Yours truly,

NATOMAS NORTH AMERICA, INC.
