Gentlemen:

This is to advise that on Jan. 14, 1983 the Anoco Production Co.'s State IG #1 - MORrow gas well located in Unit B of Section 32, Township 23-S, Range 32-E, Eddy County, New Mexico was temporarily disconnected from El Paso Natural Gas Co.'s gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to recompletion to the Delaware zone for which there is no contract coverage. Meter #58-493-01, Site Code #32953-01.

Yours truly,

PERMIAN DIVISION DISPATCHING DEPARTMENT
