

WELL NAME AND NUMBER WALDEN No. 12

LOCATION Sec. 15- T22S-R37E 1350' FWL & 2550' FML

OPERATOR Anadarko Production Company

DRILLING CONTRACTOR Marc Drilling, Inc.

The undersigned hereby certifies that he is an authorized representative of the drilling contractor who drilled the above-described well and that he has conducted deviation tests and obtained the following results:

| <u>Degrees and Depth</u> |
|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <u>1/4 500</u>           |                          |                          |                          |                          |
| <u>1/2 681</u>           |                          |                          |                          |                          |
| <u>1/4 1166</u>          |                          |                          |                          |                          |
| <u>3/4 1551</u>          |                          |                          |                          |                          |
| <u>3/4 2067</u>          |                          |                          |                          |                          |
| <u>1 1/2 2674</u>        |                          |                          |                          |                          |
| <u>1 3170</u>            |                          |                          |                          |                          |
| <u>1 3674</u>            |                          |                          |                          |                          |
| <u>3/4 4034</u>          |                          |                          |                          |                          |
|                          |                          |                          |                          |                          |
|                          |                          |                          |                          |                          |
