Dear Clarence:

We have had a second request for the release of the bond for the above-referenced well. Our records show you filed an intention to plug and abandon the well in 1983 but did not file a subsequent report. If the well is plugged, please file a subsequent report of the plugging operations on Form C-103. When this is received, we will be happy to check the location and if it is cleaned up we can release the bond.

Very truly yours,

OIL CONSERVATION DIVISION
