Dear Sir:

The Anadarko Production Company will make application with the State of New Mexico to drill a producing well on an un-orthodox location in the Langley Mattix Penrose Sand Unit, Lea County, New Mexico. This well is in Unit Letter G. 1330' FNL & 2490' FEL. Sec 34, Twp 22S, Rg 37E. LMPSU Tract 36, Well #6.

Our LMPSU joins and is North of your Penrose A Unit, Lea County, New Mexico.

Thank You,

  
John C. English  
Area Supervisor
