RE: Parks "A" No. 10
Unit K, Section 14,
T-22-S - R-37-E,
Lea County, New Mexico

Gentlemen:

Please find enclosed your Forms C-102, C-104, and C-105 for the subject well. This well has been plugged back from the Wantz-Abo and recompleted in the Blinebry. As this acreage is currently assigned to the Parks No. 6 Blinebry Gas, it is requested that the gas allowable be cancelled on the Parks No. 6 Blinebry. It is still our intention to work-over the Parks No. 6 and to reclassify from Blinebry Gas to Blinebry Oil. This work has been delayed due to water flow on our Parks No. 6.

Thank you for your consideration of this matter. If you have any questions, please call.

Yours very truly.
