- Outline the acreage dedicated to the subject well by colored pencil or hachure marks on the plat below.
- If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
- If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, forced-pooling, etc?

Yes No If answer is "Yes," type of consolidation _____

If answer is "No," list the owners and tract descriptions which have actually been consolidated. Use reverse side of this form if necessary.

Non-flowable will be assigned to the well until all interests have been consolidated by communitization, unitization, forced-pooling, or otherwise (or until a non-standard unit, eliminating such interests, has been approved by the Commission).
