Re: Curry State Com Well #2-C
Section ~~22~~, T23S, R34E

Gentlemen:

The above-referenced well was drilled by Curry Resources. However, they did not file all the required completion forms prior to your purchase of the well in March 1987.

Our rules require that a "Well Record or Completion", Form C-105, be filed on dry holes or wells completed as TA from drilling. In order that our file on this well may be complete, please file Form C-105 as soon as possible.

We made several attempts to secure this report from Curry Resources but were unsuccessful. Your assistance in this matter will be greatly appreciated.

Very truly yours,

OIL CONSERVATION DIVISION
