Re: Well logs  
Sedco 21 State #1-G  
Section 21, T23S, R34E

Gentlemen:

The C-105, Well Record, filed on the above-referenced well indicated that you were submitting the well logs under separate cover. However, we do not indicate that the logs were ever received in this office. Rule 1105 requires that one copy of all electrical and radio-activity logs run on the well must be filed with the Division.

Please submit one copy of each log run on this well to this office as soon as possible.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton  
Supervisor, District I
