Re: A.B. Baker #6  
API# 30-025-33794

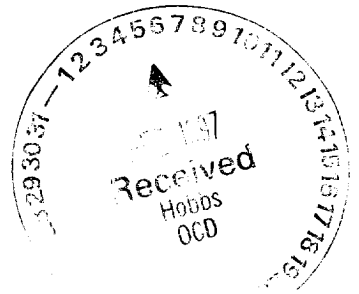

Gentlemen:

We received an approved permit to drill the A.B. Baker #6 dated 1/24/97. After we started building the location, we found that the location was right over some flowlines. We have moved the location of the well and therefore need to re-permit the well in the new location. Thank you for your help in this matter. If you have any questions or if I can be of further assistance, please call me at (915) 687-3435. Again, thank you for your help in this matter.

Sincerely,
