Reclassify from Blinebry Oil and
Gas to Blinebry Gas

Dear Chris:

Please find attached your form C-116, a special GOR test to reclassify the Thomas Long A No. 2 & 3 from Blinebry Oil and Gas to Blinebry Gas. A 120 acres non-standard proration unit was approved February 8, 1999 for the Thomas Long A No.'s 1,2&3. Well No. ~~1~~ will not test as a Blinebry Gas well at the present time. The Thomas Long A ~~#1~~ is shut-in and will be until remedial work results in a Blinebry Gas well.

A copy of Administration Order NSSP-1800(L)(SD) is also attached.

It would be appreciated if a 120 acre gas unit allowable could be assigned effective April 1, 1999.

Very truly yours,
