Gentlemen:

According to our records you do not have a gas connection for your wells in the Double X Delaware Pool, nor have you applied for a No-Flare Order for these wells as required by Commission Order No. R-2397.

Unless you have submitted an application for a No-Flare Order in triplicate to our Santa Fe office, with a copy to this office, prior to April 10, 1963, the allowables for your producing wells in the Double X Delaware Pool will be cancelled.

Yours very truly,

OIL CONSERVATION COMMISSION
