Mr. Roy Yarbrough
Oil Conservation Commission
Hobbs, New Mexico

RE: W. J. Powell, Harold Taylor, W. J. Wallrich -
SW NE 26-24S-34E

Dear Roy:

Echlin-Irvin-Crowell & Company has recently requested a recent report on the above well. Would you please advise us if these operators are seeing to it that the well is properly plugged? As soon as possible we would like to see this bond cancelled.

Yours truly

R. R. Spurrier

Secretary and Director
