Hobbs, New Mexico

Attention: Mr. J. D. Ramey

Dear Sir:

This letter will confirm telephone conversation between yourself and Mr. J. C. Johnson concerning testing of Gulf's J. F. Janda "G" No. 2, located in Section 24, T-23-S, R-36, Lea County, New Mexico. In order to test the well prior to reclassification as a gas well, the well will be turned on 3-21-60 for a 3 to 4 day period. The well will be closed in after the tests until an allowable is received.

Very truly yours,

J. L. Pike
Area Production Manager
